Now in its 12th year, Artists Open Studios is the largest city-based open studios event in the U.K., and remains the most exciting grassroots visual arts event in Sheffield and South Yorkshire.

Artists Open Studios 2011 runs over 2 weekends, including May Day Bank Holiday.

Watch 107 artists demonstrate their techniques, exhibit and make their work, or take part in workshop activities. It's all completely free to the public.

This is your chance to come and see what they do, how they do it, and to talk to them about why they do it.

See why the region's greatest artists take part in Artists Open Studios every year.
